When it comes to workers' compensation, the Texas Schools Association does its homework. As a member, you can count on premium savings.

In addition to a premium discount, members have access to an industry-specific safety plan and can qualify for a group dividend. Texas Mutual policyholders have access to thousands of free training materials in our safety resource center, including a robust safety catalog, engaging e-Learning online training courses and more.

## \$ DIVIDEND HISTORY

As a member of Texas School Association, you may qualify for a group dividend if the group has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
