LEARN MORE

To learn more about safety groups, contact Texas Mutual at (800) 859-5995.

When it comes to workers' compensation, don't go out on a limb. Joining the Texas Green Industry safety group saves you money, and it's open to growers, landscape contractors, nurseries, and other green businesses.

In addition to a premium discount, members have access to an industry-specific safety plan and can qualify for a group dividend. Texas Mutual policyholders have access to thousands of free training materials in our safety resource center, including a robust safety catalog, engaging e-Learning online training courses and more.

DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn general dividends, but as a member of the Texas Green Industry safety group, you may qualify for an additional group dividend if the organization has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
