LEARN MORE

To learn more about safety groups, contact Texas Mutual at (800) 859-5995.

Qualifying feed manufacturers, livestock sales companies and drivers can feed their bottom line and improve their safety program by joining the Texas Cattle Feeders Association safety group.

Members earn a premium discount, have access to a safety plan specific to the cattle-feeding industry, and can qualify for a group dividend. Texas Mutual policyholders have access to thousands of free training materials in our safety resource center, including a robust safety catalog, engaging e-Learning online training courses and more.

\$ DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn individual dividends, but as a member of the Texas Cattle Feeders Association, you may qualify for an additional group dividend if the group has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
