Harvest the benefits of a safety group by joining AgriComp. Open to the agricultural community, from farming to feed manufacturing businesses, AgriComp can help you feed your bottom line.

When you join, you'll earn a premium discount, have access to a safety plan specific to your industry, and can qualify for a group dividend. Texas Mutual policyholders have access to thousands of free training materials in our safety resource center, including a robust safety catalog, engaging e-Learning online training courses and more.

### \$ DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn individual dividends, but as a member of the AgriComp safety group, you may qualify for an additional group dividend if the group has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
